### **Flat Screen Display**

- 1) Turn on the TV. Press the [POWER] button on the right side of the monitor. To turn off the monitor simply press the button again.
- 2) Connect either the VGA cable or HDMI cable to your laptop according to your preference.
- 3) Press the [Input] button until your source is displayed on the monitor. It may take up to 10 seconds for your source to be displayed.
- 4) Volume for ALL sources may be controlled on the monitor where indicated.

### **Document Camera:**

- 1) Turn on the document camera
- 2) Connect the VGA cable to the BLUE RGB output located on the back of the camera
- 3) Press the [Input] button until your source is displayed on the monitor. It may take up to 10 seconds for your source to be displayed.
- 4) Use the controls to zoom and focus on your presentation material.
